

2023 16 to 18 Autumn Checking Exercise Requests Summary (Check Your Performance Measures Data)

Below is a breakdown of the number of cases requested during the 2023 16 to 18 Autumn checking exercise.

The table is sorted by total number of cases, broken down by main categories then 'other' categories.

We have listed common reasons why cases are unable to be accepted in each category to assist you when making future requests - please note this list is not exhaustive.

Student amendment request category	Total cases	Number of cases accepted	Number of cases rejected	% of cases accepted	% of cases rejected	Common reasons cases are unable to be accepted
Not at the end of 16 to 18 study	1,634	1,099	535	67.3%	32.7%	* Student aged 18 at the start of reporting academic year
Not on roll (NOR)	427	427	0	100%	0%	In 2023 all accepted
International student	100	89	11	89%	11%	* Student was included on school census or ILR, therefore state funded
Other	31	5	26	16.1%	83.9%	* Student allocated to the establishment from census/ ILR information from 2021/2022 * School/college was funded for student * No 3rd party evidence provided
Other Evidence Not Required	30	11	19	36.7%	63.3%	* Student allocated to the establishment from census/ ILR information from 2021/2022
Add unlisted student	17	13	4	76.5%	23.5%	* Non-included student already exists on website * Student allocated elsewhere * Student reported at this establishment in a previous year
Deceased	11	11	0	100%	0%	In 2023 all accepted
DOB change	8	8	0	100%	0%	In 2023 all accepted
Total	2,258	1,663	595	73.6%	26.4%	

16 to 18 result amendment requests	Total cases	Number of cases accepted	Number of cases rejected	% of cases accepted	% of cases rejected	Common reasons cases are unable to be accepted
Amendment	283	243	40	85.9%	14.1%	* Insufficient/no evidence provided to support request * Request submitted however change was already made via late results feed, therefore rejected as no longer required * Internal evidence provided * Unit evidence provided, no evidence of final grade
Addition	48	25	23	52.1%	47.9%	* Insufficient/no evidence provided to support request * Evidence provided does not match result requested * Unit evidence provided, no evidence of final grade
Withdrawal	40	3	37	7.5%	92.5%	* Insufficient/no evidence provided to support request * Request submitted however change was already made via late results feed, therefore rejected as no longer required. * No confirmation of withdrawal from the Awarding Organisation provided
